A diagram illustrating the relationship between a header file and three source files. On the left is a black rectangular box labeled **lsp.h**. To its right are three white rectangular boxes with black borders, labeled **lsp.c**, **nb\_celp.c**, and **sb\_celp.c** from top to bottom. Three blue arrows point from each of the three source files towards the **lsp.h** header file, indicating that these source files include the header.
