

testdenoise.c

```
graph LR; A[testdenoise.c] --> B[speex/speex_preprocess.h]; A --> C[stdio.h];
```

The diagram illustrates the header files included by the source file testdenoise.c. Two blue arrows originate from the testdenoise.c box and point to the header file boxes: one to speex/speex\_preprocess.h and another to stdio.h.

speex/speex\_preprocess.h

stdio.h
